KING'S VENUES

Now booking... Science Gallery London

Our partner venue, Science Gallery London, part of King's College London, is now taking bookings. The venue opens in spring/summer 2018 and offers organisers a range of party, wedding, event, conference and dining spaces for up to 750 guests. With a brand new state-of-the-art theatre with retractable seating rake, stunning private balcony, a large courtyard and beautiful galleries, Science Gallery London not only boasts inspiring spaces, but its position at the foot of the Shard also promises an unbeatable location and views.

Science Gallery London is an innovative, three-storey building created within the shell of what was Boland House. The building's dominant aspect overlooks a Georgian courtyard which is currently undergoing a complete refurbishment to return it to its former glory.

Lower ground floor – Theatre and Theatre Breakout

This brand new space comprises a **156-seat**, tiered **theatre** and an adjoining **breakout** space. When the seats are cleared away the main space comfortably caters for **150 for a drinks reception** and **64 for a sit-down meal**. The AV equipment is, as you would expect from a purpose-built auditorium, cutting edge.

Guy's Courtyard

Our largest space is the beautiful Georgian courtyard which, although a public space, will be available to hire for **drinks parties for up to 750 people**.

First floor – Terrace, Studio, Gallery 1, 2 and 3

Hiring out the entire first floor will give you ample room to host up to **480 guests** at a cocktail reception. **220 diners** can be served a sit-down meal across the three, adjoining, facing galleries and the Studio and Terrace seats **100 attendees in a theatre-style layout**.

Science Gallery London is a vibrant venue at the forefront of design which will be showcasing a host of excellent events and exhibitions alongside its private-hire events. Guests at any function hosted at the venue will have the opportunity to interact with the art currently in the venue, giving your attendees a truly unique and memorable experience. Spaces are available to hire throughout the year, every day of the week.

In keeping with its dynamic essence, the catering at Science Gallery London will be every bit as exciting and thought-provoking as the venue itself. With innovation, sustainability and responsibility at the heart of everything they do, our chef brigade can design bespoke menus to perfectly suit each individual event.

Your enquiry

If you're looking for a truly special venue in which to hold your next event, then give the Science Gallery London Event Team a call on 020 7848 6999.
