Christmas at King's

Enjoy a marvellous festive celebration in iconic buildings in the heart of London, next to the River Thames. This year we offer a great variety of packages for Christmas parties, dinners and festive lunches.

King's College London's most prestigious space, *The Great Hall on the Strand*, is the perfect space to make merry this Christmas.

For more intimate gatherings choose *The River Room* with stunning views of the Thames or elegant *Council Room*, steeped in character, charm and history. Pick one of our tailor-made packages for up to 150 seated or 250 standing, and celebrate with us.

The Great Hall on the Strand

Following a multi-million pound refurbishment, *The Great Hall on the Strand* is an ideal Christmas venue for up to two hundred guests. *The Great Hall* is adjacent to Somerset House, and set within the university's original building. Dating back to 1829, it offers a beautiful, historic reception space, together with state of the art lighting and AV facilities.
